According to most expert economist, all agree that it s inevitable and that when it does occur, this time there won t be a recovery. The series: Coming Out of Babylon was written as a spiritual response and answer to the eventual demise of a world system that prides itself in greed, corruption and lust. Within each page the author offers a prophetic, spiritually sound alternative that answers that ominous question: will you be prepared when this worlds socioeconomic system crashes? Written in a straight forward, sober yet conversational tone, Coming Out of Babylon will awaken your spirit and give you true hope as it guides, teach, inspire and empower believers in Christ who feel that they have been called into the global marketplace as visionaries or dreamers. Within each book the author covers the various phases of spiritual entrepreneurial evolution: book one Understanding Prophetic Dreams and Visions covers the 20 plus years of the writers experiences with spiritual socioeconomic dream principles, book two, Unless the Lord builds it, takes a spiritual look at why those particular business ventures (dreams and visions) fail or stall, book three, Follow Me The Making of a Spiritual Entrepreneur, the author covers the spiritual processes and principles that God utilizes to develop and mature the dreamer or visionary.
