Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The last thing that Justina remembered was a dagger, pain and darkness. So, how could she wake up and find herself in this bizarre place, sitting with a gentleman frogman no less, conversing as if it was the most ordinary event? And even stranger still was that there was something vaguely familiar about her companion. If only she could remember . anything at all about her past. On her journey to get answers, Justina is drawn into an adventure where the mistakes of a Mage can have equally serendipitous or fatal consequences. Equally as confused as Justina and wanting some answers are a High Elf Paladin needing forgiveness for past wrongs, an ex-slaver seeking love and a home, a King usurped by treachery and deprived of his one true love and a congresswoman who just may hold the key to this loophole of nonexistence. Forming an uneasy alliance, the five search for the elusive Creator in hopes of enlightenment. Mistrust becomes true friendship in the last ditch effort to redeem themselves as they desperately try to save the strange world they have begun to call home.
