Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Floods, earthquakes, heat waves, landslides, wildfires, blackouts, terrorism. It s all happening now, just now! If we don t know how to deal with it and how to get ready, we run the risk of hopelessness and despair, for us and our beloved ones. But knowledge is power and there s always something we can do. Get Ready It s Happening: Surviving Gaia s Changes was designed for those who want to understand the most common emergencies and catastrophes caused by natural phenomena or human activities. Natural calamities can, in fact, strike at any time and this can be said with certainty, because those of us who already completed their first half-century of age, have personally experienced many of these events in their lifetime. Situations are not to be ignored or overlooked, Gaia rarely bothers to warn us when she s going to release heavy rains or incredible hurricanes, shocking earthquakes, lightning storms or historical volcanic eruptions. She goes on her way and we are transported. The long list of recent tornadoes, tsunamis, avalanches, and earthquakes around the world is a sobering reminder for all and all of us never to take nature for granted and to always know what to do in case Gaia, for reasons of its own, is ready to strike again. We should look for the specific steps to be taken to prepare ourselves, our families, friends, and acquaintances if a huge event, natural or artificial happen. Never take lightly any natural upheavals, never consider them with the fatality and cynicism of the inevitable, irreparable eventualities to which we can only helplessly surrender; they manifest and we must be ready and willing to limit or even prevent any...
