Little, Brown Book Group, United Kingdom, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Secret Diary of a 1970s Secretary is the diary of Sarah Shaw for the year of 1971, which she recently uncovered whilst clearing out her loft. Working as a secretary for the BBC at the time, Sarah s diary describes the life of a suburban girl who certainly wasn t swinging but who was, ironically, not only working on a cutting edge BBC survey on sex education but also in the throes of an unlikely affair with middle-aged, working-class, Irish lift attendant, Frank.Sarah talks humorously and frankly about what it was like to be a young, working woman at the time as well as life at the BBC during the 1970s and the difficulties of navigating her first romance. She is funny and self-effacing with a self-knowledge that only few attain. Her innocence and naivety are hugely charming and the diary forms a valuable snapshot of a time not so far away that is now lost to us.
