BASIL D OLIVEIRA: CRICKET AND CONTROVERSY (PAPERBACK)

DOWNLOAD

Little, Brown Book Group, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. There have been innumerable biographies of cricketers. Peter Oborne s outstanding biography of Basil D Oliveira is something else. It brings together sport, politics and race. It is the story of how a black South African defied incredible odds and came to play cricket for England, of how a single man escaped from apartheid and came to fulfil his prodigious sporting potential. It is a story of the conquest of racial prejudice, both in South Africa and in the heart of the English sporting establishment. The story comes to its climax in the so-called D Oliveira Affair of 1968, when John Vorster, the South African Prime Minister, banned the touring MCC side because of the inclusion of a black man. This episode marked the start of the twenty-year sporting isolation of South Africa that ended only with the collapse of apartheid itself.
