In the spring, countless combinations and contrasts give marvelous effects to change mind and mood. It is the season of friendship, love and care. Spring follows autumn and in the deadly autumn, it is hope only that keeps warm and alive to welcome the spring. colors, combinations and contrasts help to understand the verity of emotions, feelings and behaviors. Spring speaks language of colors without any discrimination and prejudice. There is no space on earth without colors. The mood of trees, birds and every life on earth has changed. Sweet colors, songs and feelings are now making environment mysterious and lovely. The human mind ultimately has been changed for good feeling sentiments and love. This book is arranged with collection of the best poems taken from my already published books in USA; Frame of Mind, Frame of Heart, Live Long, Soft Touch, Hard Cuts and Nature. (Muhammad Afzal).
