

Louse Point: Stories from the East End (Paperback)

Filesize: 8.52 MB

Reviews

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who statte that there was not a well worth looking at. Its been designed in an exceptionally simple way and is particularly only soon after i finished reading through this ebook in which actually transformed me, modify the way in my opinion.

BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. The stories of Louse Point explore the East End s unique tapestry of communities and the hamlets they occupy, from the African-Americans of Freetown to the fishermen of Lazy Point. The stories, each one named for a location on the East End, explore the vicissitudes of family and the deep divisions between local communities. Some characters are held back by circumstance and others by their own self-doubt, but all keep pushing tirelessly forward. In Two Mile Hollow, two brothers, members of the East End s last remaining crew of haul-seiners, drive to their town s gay beach in search of a culprit, as they feel their livelihood and their town slipping away. Lazy Point features a twenty-something sister who prevails upon her twin brother to come back to Lazy Point, the last remaining hamlet for locals, to help save their parents tumultuous marriage. In Walking Dunes, a marine-like mother enlists her two teenage children to drive from Arizona to Montauk Point in pursuit of their AWOL father, who has returned to his hometown to work as a fisherman. In Trapped, the friendship of two high school basketball players is torpedoed by a racial divide that they never knew was there. The world of Louse Point is harsh, unforgiving, forcing its characters to jettison their illusions, to move unprotected into an uncertain future.
