All the other players are talented, but they each seem to be playing for themselves and not for the team. They cant seem to pull together enough to win a single game. Tired of always being in the losers bracket, Josh begins to wonder if he made a mistake by leaving his old team and his buddies. Should he quit the United But just when Josh is about to give up on his new team, he makes a discovery: While doing a homework assignment about the World Cup soccer championships, he learns that the 1999 United States Womens World Cup team faced similar difficulties. Individually they were excellent athletes, but they just couldnt work together. How did the 1999 team win it all that year By using team-building exercises.
