By Sandra Dorschner

GRIN Verlag. Paperback. Book Condition: New. Paperback. 68 pages. Dimensions: 8.3in. x 5.8in. x 0.2in. Seminar paper from the year 2006 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 2, 0, <http://www.uni-jena.de> (Institut für Anglistik/Amerikanistik), course: Syntactic Development, 6 entries in the bibliography, language: English, abstract: It is the goal of this paper to examine the acquisition of the future tense in children's speech. After a two word utterance stage they develop more and more their speaking skills and start to talk about events and activities in the future, apart from saying things about the present. To give a detailed account of the acquisition of the future, this study includes several steps of examination. It will not only try to answer to the questions, when children first use future expressions and how their use develops in time. But it also includes an analysis of the occurrence of future tense in specific constructions, such as simple sentences, questions etc. It is also necessary to look at verbs as well as subjects which occur with expressions of future tense. A last part of the study is concerned with common errors children produce when speaking about the future. There...
