**BENJAMIN BRITTEN AND MONTAGU SLATER S PETER GRIMES (PAPERBACK)****DOWNLOAD**

Taylor Francis Ltd, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. ã `Who can turn skies back and begin again? -Peter ã This book contends that Peter Grimes, widely regarded as one of the greatest and most influential operas of the 20th century, is also one of the British theatre s finest `lost plays. Seeking to liberate Britten and Slater s work from the blinkered traditions of theatre and opera criticism, Sam Kinchin-Smith poses two questions: If an opera was created like a play, and can be staged as a play, is it a play? If a portion of its success and influence is the product of this newly identified theatrical engine, is it then a great play? The answers involve Wagner and W.G. Sebald, George Crabbe and Complicite, Akenfield and Twin Peaks. Challenging long-established narratives of post-war theatre history, this book makes a compelling case for why practitioners and scholars of performance ought to pay more attention to Britten and Slater s achievement - a milestone of unconventional English modernism - and perhaps to other operatic masterpieces too.
