BOOK INTERIOR: - Each log provides the facility to total anything, cost or calories, but the shading for this is subtle so you can easily ignore it and just write a meal title over the top if desired. - There s a shopping list with each week so you can take it to the store and see at a glance what you need. - A Notes section for each week allows extra space to record e.g. special celebrations, additional guests or comments on what worked and what didn t. - At the back, a double page tracker chart allows you to compare any values across three different stores or brands; again it could be cost, calories or anything else. There s also a page at the back to jot down your regular fallback meals just the once, so if you re tracking totals or ingredients you don t have to keep rewriting the same lists. (There s also a general Notes page at the back too.) - Thick white acid-free paper minimizes ink bleed-through. EXTERIOR: Cover: Tough matte paperback.
