The Healing of Gaia: How Children Saved the Earth (Paperback)

By M C Nelson

Ideas Into Books Westview, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Green Book Festival Award-winner The Healing of Gaia is a fairy tale for our presently endangered world, written specifically to encourage and facilitate efforts by children of all ages to save her. It weaves a simpler story in boxes throughout the extended text; serves as a hopeful antidote to today's frightening news and alternative truths; and includes concrete actions even young ones can take, spiritual practices readers may want to incorporate, and positive real-life role models for them to emulate, all wrapped up in a fairy tale of hope for Grandmother Earth and a magical stag, and victory for the children who save them. 5 Stars from Readers Favorite. Nelson taps into a powerful modern fantasy of saving the Earth, and her hallucinatory, colorful illustrations help tell the story. A warmhearted, hopeful book. - Kirkus Reviews. One dollar of the proceeds from each book sale goes to support the work of the Earth Guardians (.
