PAVILION BOOKS, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. A the old days. A time when grime were fashionable, school sports a menace and exotic holidays were anywhere you couldn t cycle to. Take a nostalgic trip back to a time before risk assessment and child welfare, when teachers could belt you over the backside with any hard object smaller than a kettle, and kids could buy fireworks and light casual bonfires. Jam-packed with photos that could be never taken today. Children pose on walls, lean out of high-speed fairground rides and sit happily in the middle of road junctions.
