Naughty Mom Returning to the Fountain of Youth Eveline, a gorgeous mother and wife, feels as though she is doomed to a life of homemaking and mundane day to day house cleaning and soap operas. She d always dreaded turning 40 as she has always heard that once a woman reaches that milestone in her life, everything changes and that the excitement of her youth would be lost forever, tucked way back into the past and only to be lived through vivid memories that will only fade as the years pass by. But she s not ready for a life of mediocrity. She s not ready to live a life without the thrill of really good sex every once in a while. And soon, with her son Aaron going away to college, the opportunity for continuous, spontaneous sex reveals itself to her, proving to her that she is still alive, and she is still very sexy and extremely hot, even at 40. Eveline is finally going to get the opportunity to feed her hunger for hot, steamy sex, fulfilling her needs as a woman, who is so much more than a lonely house wife with idle time on her hands.
