BookBaby, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. I m excited to share with you the distilled wisdom of over 35,000 hours of distinctions on how to fill your practice with the highest quality new patients imaginable. Why don t chiropractors already know this? It s because we usually think, if I just had more new patients, that would be the answer. But new patients don t exist in a vacuum. New patients are part of an entire system. Your practice has dynamics that determine whether or not you can attract new patients, and whether or not you have room to accept and properly serve the new patients you do attract. Throughout these pages, we re...
