

Blue Into the Rip (Paperback)

By K J Heritage

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.HOME IS 400 YEARS AWAY A Rip in the fabric of time, a far-flung globally warmed future, a flooded Earth and the only remainder of civilisation-a militaristic organisation living underneath Desert Amazon . Getting back home was the only thing that mattered to messed up, mixed race teenager, Blue (named after his stupid, googly blue eyes) - and that was the problem-home was over four hundred years in the past. But how does a lowly cadet in a military academy living in a post-apocalyptic future achieve such a goal, especially with the distractions of girls, pilot training, spacewalks and his almost constant unpopularity? The more Blue found out about this flooded, gung-ho and annoying future, about himself-who and what he was (was he even human?)-and the equally disturbing and shocking truth about his parents, the more he realised getting home was the only solution. Wasn t it? If Blue knew one thing, it was that he would at least try.
