Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Devany Miller s job as a victim s advocate roots her in reality as firmly as a person can be, which makes the offer of magic sugar from a gorgeous salesman at a psychic fair all the more fantastic. The sugar, he tells her, will allow her to visit the exclusive vendors tucked away in the shadows beyond his tent. Indulging in fancy, she takes a taste and ventures into what she figures is a tourist trap. Then the screams begin and Devany is yanked violently into a world of butchered humans, of witches who make foolish deals with demons, and of spiders that use human skins as camouflage for their assassinations. Devany s normal life begins to crumble into madness as she struggles to stay alive. Her marriage falls apart. And of course, there s the little matter of the demon who has laid claim to her, and the powerful creature that wants to take her apart piece by piece to taste her soul. Despite her fear, Devany has children to protect, and she can t sit idly by while monsters in the guise of people drag innocents to their deaths.
