Mi Xue was born in the United States to Chinese immigrant parents. From a young age, she experienced the tensions of cultural identity and marginalization. As an adult, she faced the challenges of having an autistic child, and learning to submit to her husband who decided to leave his well-paying job in pursuit of something more eternally significant. Her family moved from place to place within the United States, and then to Hong Kong, while everyone else seemed to be immigrating to the United States instead.
