She remains a greatly respected figure for her spiritual writings, and for her political boldness to speak truth to power. This was exceptional for a woman in this period. The Dialogue speaks to the whole spiritual life of man and is presented in the form of a series of colloquies between the Eternal Father and the human soul (represented by Catherine herself). It is a mystical counterpart in prose to Dantes Divina Commedia. This edition is translated from the original Italian by Algar Thorold. This item ships from multiple locations.
