

The Physical Examination and Training of Children: A Handbook, for School Medical Inspectors, Physical Directors, Teachers, and Parents (Classic Reprint) (Paperback)

Filesize: 6.32 MB

Reviews

This ebook is wonderful. It typically does not expense too much. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to should you request me).

(Milan Turner)

THE PHYSICAL EXAMINATION AND TRAINING OF CHILDREN: A HANDBOOK, FOR SCHOOL MEDICAL INSPECTORS, PHYSICAL DIRECTORS, TEACHERS, AND PARENTS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Physical Examination and Training of Children: A Handbook, for School Medical Inspectors, Physical Directors, Teachers, and Parents There is ground for encouragement in the out look for the race in the more rational modes of living that each year are coming more and more into vogue. In no way is this improvement better evidenced than in the stress being laid upon physical training and particularly upon physical training in the formative period of life. At this time much can be accomplished in the all-round development of the growing child, and in the correction of those deficiencies, which, if allowed to go uncorrected, result in a fixed deformity, constituting a pronounced handicap in the struggle for existence. Medical inspection of school children, originally designed simply to prevent the spread of infectious diseases, like all other reforms, has developed far beyond the original lines mapped out by those who instituted it. The author of this book takes advanced ground, and, in a very practical way, shows himself a pioneer in the movement for child-development. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
