Audible Studios on Brilliance, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. It was 1954, in a construction camp for a hydroelectric dam in the remote Tasmanian highlands, where Bojan Buloh had brought his family to start a new life away from Slovenia, the privations of war, and refugee settlements. One night, Bojan s wife walked off into a blizzard, never to return--leaving Bojan to drink too much to quiet his ghosts, and to care for his three-year-old daughter Sonja alone. Thirty-five years later, Sonja returns to Tasmania and a father haunted by memories of the European war and other, more recent horrors. As the shadows of the past begin to intrude ever more forcefully into the present, Sonja s empty life and her father s living death are to change forever. The Sound of One Hand Clapping is about the barbarism of an old world left behind, about the harshness of a new country, and the destiny of those in a land beyond hope who seek to redeem themselves through love.
