Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Treatment of Gonorrh a in the Male During the past few years a considerable advance has been made in our knowledge of gonorrh a, and consequently in our methods of treating it. On the continent several important monographs dealing with this subject have recently been published, but some years have passed since one appeared in England. I have therefore in the following pages endeavoured to give a concise yet detailed account of the modern views of the pathology and treatment of this disease, with a view to assisting students and practitioners to whom the foreign literature and our own scattered papers on the subject are difficult of access. I have included several chapters dealing with the chief complications of the disease. It seemed inadvisable to attempt to speak here either of stricture or of gonorrh al conjunctivitis. The former is too extensive a subject to be adequately discussed in the space available, and the latter belongs more correctly to the domain of the ophthalmic surgeon.
