PARADISE GARDEN: THE SATIRICAL NARRATIVE OF A GREAT EXPERIMENT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE GREAT EXPERIMENT It might be better if Jerry Benham wrote his own memoir, for no matter how veracious, this history must be more or less colored by the point of view of one irrevocably committed to an ideal, a point of view which Jerry at least would insist was warped by scholarship and stodgy by habit. But Jerry, of course, would not write it and couldn't if he would, for no man, unless lacking in sensibility, can write a true autobiography, and least of all could Jerry do it. To commit him to such a task would be much like asking an artist to paint himself into his own landscape. Jerry could have painted nothing but impressions of externals, leaving out perforce the portrait of himself which is the only thing that matters. So. George Fort Gibbs (March 8, 1870 - October 10, 1942) was an American author, illustrator, artist, and screenwriter. As an author, he wrote more than 50 popular books, primarily adventure stories revolving around espionage in exotic locations. Several of his books were made into films. (His novel the Yellow Dove was filmed twice.) His illustrations appeared prominently in such magazines as The Saturday Evening Post, Ladies Home Journal, Redbook and The Delineator. He also illustrated some of his own novels, and the novels of others. As a painter he produced many portraits, and painted murals for Pennsylvania Station and Girard College in Philadelphia. His screenwriting credits include a film about the life of Voltaire.
