Post-Snowden, we know that the government--everywhere--has been reading our emails, listening to our phone calls, and watching whatever we do on the Internet. The only thing concealed is the nature of our watchers. In Watchlist, some of today's most prominent and promising fiction writers from around the globe respond to, reflect on, and mine for inspiration the surveillance culture in which we live. From drone strikes to birds mistaken for spies, paintings that change when they're not looked at to machines that let their dying users look back and reconsider the most important decisions...
