## VERTIGO

Amazon Publishing, United States, 2012. Paperback. Book Condition: New. Reprint. 204 x 136 mm. Language: English . Brand New Book. And this weekend promises to be special, as she and her boyfriend, Julian, will be spending time together at his parents house in the country. Nothing could be more romantic and perfect. Except that the journey there goes horribly awry, and Eva s dream weekend turns into a total nightmare. After bearing witness to a terrible crime and narrowly escaping the scene, Eva loses her diary, an incredibly personal book that holds all of her secrets including details of her visits to a therapist. So when she meets a helpful stranger who seems to know a great deal about her, she has to wonder if he is a kindred spirit or something darker. Vertigo spins a psychologically intense tale of when to walk away and when to run.
