Reviews

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.
(Georgiana Pacocha)

BOOK OF BLUES (PAPERBACK)

Penguin Group USA, Inc, United Kingdom, 1995. Paperback. Condition: New. New. Language: English . Brand New Book. Best known for his Legend of Duluoz novels, including *On the Road* and *The Dharma Bums*, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same instrumental blues form that he used to fullest effect in *Mexico City Blues*, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, *Book of Blues* is an exuberant foray into language and consciousness, rich with imagery, propelled by rhythm, and based in a reverent attentiveness to the moment. In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing harmonizing with the beat of time as it waves waves on by in measured choruses. --Jack Kerouac.
