SPIRIT RELEASE: A PRACTICAL HANDBOOK (PAPERBACK)

John Hunt Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Spirit Release covers psychic attack, curses, witchcraft, spirit attachment, possession, soul retrieval, haunting, soul rescue, deliverance, exorcism and others. The term is used by healers and psychics of all religions and traditions to define the work they do in releasing and rescuing entities found with people, on land, in buildings and objects which are then redirected to somewhere more appropriate. This comprehensive guide has been developed over many years and used as course material in the College of Psychic Studies in London. Taking a responsible and careful approach to the subject, it stresses that the process should be carried out in a compassionate way, without blame or judgment of the spirit or of the individual who is seeking help.
