Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Rational Code of Sexual Ethics I sent out a questionnaire on Sexual Ethics to a number of liberal-minded people. I presented to them a number of problems which confront the modern man and woman and asked them to give me their frank opinion as to how they would solve them. I asked them to answer frankly and honestly or not at all. If for certain reasons they did not care to write their honest thoughts under their own names they could write pseudonymously or anonymously. The best and most complete essay that has been received is the one that I take extreme pleasure in publishing herewith. I bespeak for it a careful reading. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
