Brand New Book ***** Print on Demand *****.(2) An Aerial Battle: What happens. I started to ask Her. By this time we d picked up another baby and two stray twins. to the souls that have left the planet? They will begin again, She answered. Most souls have the ability to remember their past, if they choose. As She said this, she started to glow. She said the twins are the souls of the children I would have had if I had stayed on Earth. She said the two littlest babies were the souls of the brother and sister I had had on Earth. She said these four souls were babies because they were more afraid than I was. Her final words to me were, Face your fears. Love them until they leave, then send them to the Light. And then I am sitting on a warmed surface with four babies in my lap. I see trees with yellow leaves and two orbs in the sky. There is no one around except maybe a cat because I can see its tail.a big bushy, fluffy tail.under a bush that has pretty purple flowers. I see a galaxy in the sky and with its spirals it looks very familiar, but it is much further away. I sense the tiny, blue planet in all its glory that used to reside there but there is a sadness about it that I am trying to remember but can t. quite.
