Psykosyntesforum, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.John Zacharias, the typical engineer, became more and more provoked by his wife s growing interest in New Age, which he regarded as anti-scientific brainwashing. When she one day asked him to read a pamphlet about a book that was alleged to have been channeled to the author from Jesus Christ, who had given it the title A Course in Miracles, his patience hit a limit. But, instead of trying again to persuade his wife into realizing why all this just was superstition and naive wishful thinking, he strangely enough decided to read the book, in order to prove to her that it was all humbug. This improbable decision changed John s life completely. Reading the book made John re evaluate his view on reality, it made him change his profession into becoming a psychotherapist, and it ultimately made him learn to listen to the divine inner guidance that exists in the silent bottom of the mind of everyone. John s inner guidance led him onto a life long path towards enlightenment. On his way there, he discovered and refined the ability to transport himself through space and time. This ability was registered by the global security system TSS that by 2040 had become refined to a level of sophistication where it could maintain constant surveillance of every individual on Earth. When John, after having disappeared without a trace on his hundredth birthday in 2046, returned after three hundred years, many authorities saw John s return as a grave security risk that eventually could jeopardize political control. The space-time jump ability had from 2144 slowly spread to others. Fearing a more rapid increase of this ability due to...
