

Public Health Service, Rupert Blue, Surgeon General Diphtheria (Classic Reprint)

By J W Schereschewsky

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Public Health Service, Rupert Blue, Surgeon General Diphtheria Diphtheria is justly regarded as one of the most dreaded of the diseases of childhood. It has conic down to us from antiquity under such names as Egyptian sore throat, Syrian ulcer, malignant or putrid sore throat, gangrenous ulcer, and the like, until its present name was given the disease by the great French physician, Trousseau, in the first part of the nineteenth century. Until the fruitful discoveries of Klebs, Loeffler, Behring, and others gave us the cause and methods for the cure and control of diphtheria, few diseases had presented such high mortality, and there had been few before the march of which we were apparently so helpless. An outbreak of diphtheria in a community caused a shudder of horror, for the old records are full of instances whore all the children of a family were swept away, in spite of all that the medical knowledge of that time could do. Thanks, however, to our modern discoveries, there arc few diseases about which we know so...
