It s a Transcendental Story of Ecstatic Passion and Mystical Love that is envisioned by the author as a healing balm for the much troubled voices of our civilization. The author s personal journey has brought him up close and personal with the ravages of war and violence just as Rumi had faced. The author shows the relevance for a reinvention of Rumi to heal the crisis of our modern world as all too timely and prudent. The author believes that the best of Rumi is yet to come and we are in the middle of a global shift in human consciousness and that it s no coincidence that Rumi is the most read poet in the world. More than anything else we all need healing and Rumi s ecstatic passion as conveyed via poems are the curing antidote for the diabolical, perplexing and bewildering life of our times. At this stage of our evolutionary development, we are in a sort of an adolescent period. Hence the traumatic upheaval and the resultant need for healing our challenged spirits. Rumi Soul Healer is a beautiful solace to the parched souls of our time....
