Let s face it, we re all different. Our Differences Define Us is three separate poems about being different: I Only See, is about seeing things that make a person unique as a person and not the physical handicaps that make someone look or act differently. We re All Weird, reassures us that everybody is weird - whether you have glasses, a big nose, wild hair, wear the wrong clothes, have a funny voice or any other thing that makes you feel different. X-Ray Vision, explores what it would be like if we had x-ray vision. What would the world be like if we only saw what was on the inside, instead of the outside? Our Differences Define Us Promise is a pledge to live from the inside out and to be different - which is perfectly normal! Be Weird. Be Odd. Be Different. About the author/illustrator: Kathryn Lehan is the author of Save Yourself! The Plain Truth (2007), Becoming a Warrior (2011) and River of Life (2011). She lives in Houston, Texas.
