

He Heard Me (Paperback)

By Brenda Vargas

Word Alive Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.He Heard Me is meant to ignite the fire that might have grown dim in us over the years, to refresh and restore our faith. The ultimate goal is that you would fall in love with Jesus Christ and receive Him as your personal Saviour, if you haven't already. I truly hope you will have your eyes opened to see God's hand in action, even with little things, so that you don't take it for granted or miss out on a blessing. This book will reveal that God is involved in every detail of our lives, whether we realize it or not. He wants to be there to help us and give us the desires of our hearts --when they line up with His own. God can use the experiences that are in this book to give us proof to counteract the devil when he tries to lure us or convince us that God does not listen to us, let alone care for us, especially when problems arise.

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
