

Maximizing SAP ERP Financials Accounts Payable (Hardback)

By Martin Ullman

SAP Press, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. This comprehensive reference provides you with a real-world understanding of the SAP ERP Financials application. You ll learn how to design and configure an SAP ERP Financials solution to satisfy your business requirements, including the more complex areas of configuration, and you ll explore how to manage data migration as part of an SAP ERP Financials implementation. Using the real-world, holistic business information provided in this book, you ll learn everything from the general areas of SAP ERP Financials and how they fit in the SAP landscape, to how the new General Ledger can work for you. This invaluable guide is the one resource you need to understand the configuration and design process, the enterprise structure, reporting, data migration, Accounts Payable and Receivable, integration with other components, and all other critical areas of SAP ERP Financials. SAP ERP Financials: Configuration and Design is a must-have tool for all implementation teams, project managers, and consultants working on an SAP ERP Financials upgrade or new implementation.

Reviews

This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.

-- Mrs. Maybelle O'Conner

These kinds of ebook is almost everything and got me to seeking ahead of time plus more. It really is filled with wisdom and knowledge I discovered this book from my i and dad advised this publication to learn.

-- Sonny Bergstrom
