Createspace, United States, 2014. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. Vampire, vampires, vampires, they are all here from the very first blood lusting vampire in history known as The Ancient One. There is Dracula the quintessential vampire and Vampira the most erotically sexually depraved and hardcore vampire of them all. The murderous Alucard, son of Dracula is here as well as the vampire hunters and the bastard vampires that succumb to their every hardcore fetish and sado masochistic activity imaginable. This out of control debauchery started the vampire war that resulted in the rise of the newest, most blood lusting vampire in the 21st Century, a vampire more sado masochistic, deadly and depraved than any other vampire in history. Vampire, Origin of the Species is a full blooded vampire story for adults only, containing erotic taboo sex and the extreme horror of child exploitation. This is a story that stretches back to the dawn of humanity and follows the evolution of vampires so vile that come to prey on human blood. Through the ages these vampires evolve and develop along with the human race to become sophisticated in the modern age. These murderous vampires develop into a predatory species with a blood lust matched by unquenchable desire for sexual pleasures of the flesh, pornography and sexual domination; a species being totally free of all the restraints of behavior indulging every spasm of lust, feeding each depraved hunger with the immunity that comes only with invincibility and immortality. The story awaits you here, so come I dare you to turn the pages, but be forewarned, the plot is blood soaked and the characters lustful and depraved.
