This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

REGRESSION

Arthur H. Stockwell Ltd. Paperback. Book Condition: new. BRAND NEW, Regression, Clifford Adamson, Clifford Adamson was so shocked by what he'd written that he destroyed the original manuscript of his tale of the Roman Empire. The story that flowed from his pen was more than just make-believe. Somehow he had written about actual events and people from almost 2,000 years ago, and what he thought was the product of a lively imagination had brought him face-to-face with a mystery that defies rational explanation.
