Excerpt from Ninth Biennial Report of the Illinois Institution for the Education of the Blind, Located at Jacksonville, Illinois: For 1865 and 1866 The Illinois Institution for the Education of the Blind has been conducted-in a highly exemplary manner in all respects, which is owing to the kind, careful and judicious management thereof, since our last report. We are indebted to the efficient and diligent care of Dr. Joshua Rhoads, and to Mrs. Rhoads, as well as to other members of the family, and to the able teachers and helpers, for the uniform success of this Institution; to all of whom we tender our sincere acknowledgments, on behalf of the numerous blind children and adults, of whom, too, we would speak, in general, in terms of highest commendation. Of course, exceptions exist, as some pupils fall under just censure. We refer you to the reports of the Superintendent and Treasurer, submitted herewith, as to the details, and for a statement of finances.
