Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In a future Earth that has descended into war and chaos, a group of star-crossed youths fight for their very survival. Clave is a young warrior being trained by the legendary Akari for missions too dangerous for others. Vin, raised on the streets of the Sprawls, will do anything to defend his struggling family. Lana, a rookie recruit whose eyes are opened to the world of the Elite, finds her destiny changed forever. And Gaidon, an ambitious youth, wants to usurp power from the Syndicate that controls his fate. Unknown to all, one will discover a special gift allowing the lifting of the veils between the seen and unseen, to walk between worlds, changing all their fates and the future of a world. Written in gritty, masterful prose, author Jerry Napier paints the stark landscape of an Earth in need of salvation. Visual, imaginative, and filled with nonstop action, *Beta Earth: Between Worlds* raises the stakes and pushes the boundaries in the science fiction world.
