Brandon Black. And you've come to the wrong place. No, I'm serious, this is the wrong book for you. In fact, you should STOP READING right now! Stop reading about the Quantum Coloring Book, because this book only causes disaster! Terrible, horrible, disaster. You might think it would be fun to have a book that can make anything. ANYTHING! Do you want candy? Just color it. Do you want an airplane? Just color it. Do you want a winning lottery ticket? Just color it. Do you want to draw a black hole that swallows your entire town? . . . NO! YOU DON'T! Because that's what I did. I know this book. I've learned how it works. I've gone back in time. I've changed the future. I've been to places that you couldn't even dream of. I've done things that. . . Well, let's just say, you should take it from me. This book is no good. You can't handle the power. I couldn't. No one can. And if you ever find a book like this one, you must NEVER USE IT! My name is Brandon Black, and this is my story. . . Episode 1: The Thing With Fangs! Before traveling back in time to destroy the quantum coloring book - and stop the black hole that has swallowed Grayville! - 8-year-old Brandon Black tells how he discovered the book's power, and how he accidentally unleashed a ferocious fanged beast in his elementary school!
