## WORKING FROM HOME IN 90 MINUTES (PAPERBACK)

Management Books 2000 Ltd, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book. With communications and information technology now cheap, accessible, and increasingly tailored to the needs of individual users, there is almost nothing which can be done in an office that can t be done just as well at home. This book explains the opportunities and pitfalls of working from home; it shows how to set up the office utilising all the latest technology - and explains how to make the most of your new-found freedom, without sacrificing productivity or performance. As well as individuals setting up or running their own businesses, a growing number of larger firms are now moving towards a homeworking culture, where employees spent part or all of their working week in a home-based office rather than occupying expensive and less flexible Head Offices. This practical guide shows why, and demonstrates how this can work to everyone s advantage.
