WEIGHT OF THE IMAGE: MASTERCLASS NAI 1999 (PAPERBACK)

Netherlands Architecture Institute (NAi Uitgevers/Publishers), Netherlands, 2001. Paperback. Condition: New. Language: English . Brand New Book. For the first time in history, thanks to computer-aided design, architects have been able to move from a top-down vision to a more organic, bottom-up vision. The insect-view model developed by the ancient Greeks (projecting a grid onto the face of the earth) is the most enduring example of this top-down order, modified somewhat by Renaissance perspective and then by Modernist collage. Now, in...

Reviews

It in a of my personal favorite book. It is writter in easy terms and never hard to understand. Its been designed in an exceedingly easy way and it is only after i finished reading this publication by which in fact changed me, change the way i think.

-- **Lucinda Stiedemann**

It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.

-- **Gerardo Bauch PhD**

Absolutely essential study book. It normally is not going to charge excessive. I am delighted to inform you that this is basically the finest ebook we have study during my very own lifestyle and can be he greatest publication for at any time.
