Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Candlewick on Brilliance Audio, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. When an insecure teen starts impersonating someone else, her life spirals dangerously out of control in a realistic, relatable novel about finding yourself--and discovering your true friends. Leah Lobermier dreams of becoming a doctor, but it s hard to stay focused on getting good grades when boys make oinking sounds at her in school and her mother spends every night on the couch with a bottle of wine. Leah s skinny and popular friends, Kristy and Corinne, aren t much better and can hardly be counted on for support. When the girls convince a handsome older man to buy them beer, Leah takes his phone number and calls him, pretending to be Kristy--coy and confident--and they develop a relationship, talking and texting day after day. But as the lie she created grows beyond her control, can Leah put a stop to things before she--or Kristy--is seriously hurt?.
