

## Adorno Reframed: Interpreting Key Thinkers for the Arts

By Geoff Boucher

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, Adorno Reframed: Interpreting Key Thinkers for the Arts, Geoff Boucher, Dismissed as a miserable elitist who condemned popular culture in the name of 'high art', Theodor W. Adorno (1903-1969) is one of the most provocative and important yet least understood of contemporary thinkers. This book challenges this popular image and re-examines Adorno as a utopian philosopher who believed authentic art could save the world. Adorno Reframed is not only a comprehensive introduction to the reader coming to Adorno for the first time, but also an important re-evaluation of this founder of the Frankfurt School. Using a wealth of concrete illustrations from popular culture, Geoffrey Boucher recasts Adorno as a revolutionary whose subversive irony and profoundly historical aesthetics defended the integrity of the individual against social totality.

### Reviews

*A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily can get a satisfaction of looking at a composed publication.*

-- **Isai Bradtke**

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*
