Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Grave Plot is #3 in the Sheriff Jack Stanley Series. These mysteries are all set in the fictional Dixon County town of Fairview, in Middle Appalachia. Near Fairview, the red headed young girl sat leaning against a tombstone on the back-left side of the small church cemetery. She did not move even when three crows came to visit and sat watching her from a nearby fence rail. The tombstone was new and the name was familiar to her though she had never met the man. And now, she never would. A second girl was also missing that day and Sheriff Jack had contradicting clues that seemed on the one hand to connect the two girls, but, on the other to say their circumstances could not be related. Join him as he searches along crooked roads for the truth. Author KC Reedy lives and writes in the Middle Appalachian Mountains. He has interacted with the inhabitants as an award winning educator and business manager, and as a civic leader.
