## Fish, Vol. 2: The Queen Cookery Books (Classic Reprint) (Paperback)

By S Beaty-Pownall

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Fish, Vol. 2: The Queen Cookery Books Been collected at the request of many readers of the Queen, to save reference to back numbers not always within reach. Additional recipes have, how ever, been given, to bring this little work as much up to date as possible; but all these, like the previous ones, have been carefully tested, and are all (as I know from practical experience) well within the capacity of any ordinary good plain cook, gifted with fair intelligence and a little goodwill. I desire also to take this opportunity of acknowledging my indebtedness to the various authors of standard foreign cookery books, and also to offer my grateful thanks to Mrs. A. B. Marshall, and several other well-known chefs, whose kindness has so materially helped and rendered possible my work in these last years. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing...
