

## For the Analysis of Soils, Limestones, and Manures (Classic Reprint)

Filesize: 5.36 MB

### **Reviews**

*An extremely great ebook with lucid and perfect explanations. It is full of knowledge and wisdom Its been printed in an exceedingly straightforward way in fact it is merely right after i finished reading through this publication by which really transformed me, alter the way i believe.*

*(Spencer Fritsch)*

**FOR THE ANALYSIS OF SOILS, LIMESTONES, AND MANURES (CLASSIC REPRINT)****DOWNLOAD**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from For the Analysis of Soils, Limestones, and Manures This little work is not intended to compete with treatises on chemical analysis, such as those of Rose and Fresenius, which are the text-books of the accomplished analyst. Originally published as an Appendix to my Lectures on Agricultural Chemistry and Geology, it has been much in demand also in a separate form. I have, therefore, given to this third edition a more widely practical bearing, by including limestones, clays, ironstones, manures, and natural waters, among the substances to be analysed. I have briefly explained, also, the principles on which analysis by measure is founded - a method which is susceptible of many simple practical applications. The Instructions are as few and simple as the subject well admits of, and the advancing student will proceed from this little manual to the many larger works which are within his reach. To the schoolmaster, the farmer, the pharmaceutical chemist and druggist, the youthful student, and to the rural, the training or normal school, and the agricultural laboratory, I offer it as a First Help To Practical And Economical Chemical Analysis. Though small in size, it will materially aid them in those chemical investigations which, in connection with agriculture and the arts, are every day becoming more sought for, and more necessary. With a view to easy reference, I have added a copious Index. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
