Argus Developer in Practice: Real Estate Development Modeling in the Real World (Paperback)

By Tim M. Havard

Springer-Verlag Berlin and Heidelberg GmbH Co. KG, Germany, 2013. Paperback. Condition: New. 1st ed.. Language: English . Brand New Book. This book is a practical guide to using Argus Developer, the world's most widely used real estate development feasibility modeling software. Using practical examples and many case studies, it takes readers beyond basic training and provides the in-depth knowledge required to analyze potential real estate deals and help ensure a profitable development. Argus Developer in Practice fills an important gap in the market. Argus Developer, and its predecessor Circle Developer, has long had a dominant position as the primary real estate development appraisal tool. It is used all over the world on a variety of projects ranging from simple residential projects to huge and complex master planned, mixed-use, commercial, residential, and leisure projects. It also shines when used to appraise refurbishing an existing building or complex and upgrading it or turning it into something entirely different. Argus Developer in Practice, the first book that concentrates on the practical application and use of the program, goes beyond the manual that comes with it by taking you through the development/project appraisal process step by step. In addition, author Tim Havard has...
