Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It would soon be Christmas and Harry Kenton, at his desk in the Pendleton Academy, saw the snow falling heavily outside. The school stood on the skirt of the town, and the forest came down to the edge of the playing field. The great trees, oak and ash and elm, were clothed in white, and they stood out a vast and glittering tracery against the somber sky. The desk was of the old kind, intended for two, and Harry s comrade in it was his cousin, Dick Mason, of his own years and size. They would graduate in June, and both were large and powerful for their age. There was a strong family resemblance and yet a difference. Harry s face was the more sensitive and at times the blood leaped like quicksilver in his veins. Dick s features indicated a quieter and more stubborn temper. They were equal favorites with teachers and pupils. Dick s eyes followed Harry s, and he, too, looked at the falling snow and the white forest. Both were thinking of Christmas and the holiday season so near at hand. It was a rich section of Kentucky, and they were the sons of prosperous parents.
