

Damned: True Tales of the Cursed, Hexed Bewitched (Paperback)

By Shelley Kaehr

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Featured on William Shatner's Weird or What Mind-body expert Shelley Kaehr, Ph.D. shares case histories of clients who believe they are cursed and gives methods you can use to let go of the past and move forward into a happier future. Damned raises serious questions about the true origins of curses. Are they figments of imagination or are we driven by forces of darkness beyond our control? Dr. Shelley Kaehr gives a strong case for both. Great book, interesting case studies. I couldn't put it down. George Noory, Coast to Coast AM If you're worried about the evil eye, think you have bad karma or that someone has put the hoodoo on you. . . this book is worth more than a big mojo bag filled with good luck charms any day! Timothy G Beckley, Damned is an incredibly fascinating and simultaneously disturbing look into the inner worlds of some very confused people. Using her incredible talents as healer and sage, Dr. Shelley Kaehr compassionately assists lost souls toward the light of their own power and faith. With courage,...
